PARKING

Private cars visiting Bibendum can park in the spaces either at the front of Bibendum or at the back by the garages but we can not guarantee there will be space available. Please let our receptionist know where you have parked.

BY ROAD

From the M1:

Travel south towards London until you come to the end of the M1 (Junction 1).

Take the left hand filter lane off the M1 and join the north Circular road (A406) travelling EAST (for no more than 1/2 mile) you will see Brent Cross Shopping Centre on your left. Keep left and come off the A406 up onto the flyover, then turn right onto the A41 towards Central London / West End – this takes you back over the top of the North Circular. You are now on Hendon Way, which becomes Finchley road.

Follow the A41 towards London for about 4 miles until you see the Swiss Cottage Pub directly in front of you.

As soon as you are alongside the Pub get into the left hand lane and, at the traffic lights, turn left on to Adelaide Road.

At the first set of lights (very soon) turn right into King Henry's Road, follow this road to the end and turn right into Primrose Hill road, travel a further 1/4 mile (Primrose Hill park is on your right) and turn left at the 'T' junction.

You are now on Regents Park road and Bibendum is on your left at the end of all the nice shops/ bistros/ restaurants. Once you've got this far you can't miss us!

From other directions:

From outside London, head for the A406 north Circular, then take the A41 at Brent Cross, following the directions above.

From Central London, join the A5 Edgware Road at Marble Arch. After approximately 1 mile turn right onto the A5205 St John's Wood Road. As you pass Lord's Cricket ground there is a set of traffic lights, go straight across (pass the roundabout on your right) into Prince Albert road. At the second set of traffic lights (just as you pass the London Zoo Aviary on your right) turn left into Albert Terrace then left again into Regents Park Road. Bibendum is at the end of the road on the left hand side.
