### Tasting Notes:

When arriving on the market, The N.P.U. (Nec Plus Ultra) Cuvee 1995 will have required 10 years hard work to reach such a sublime result. To experience its richness, don't sip it too quickly. Observe it in the glass, listen to it and take the time to discover its many fine and complex aromas. And then finally, taste it.

### Regional info:

The crop was showing perfect maturity and a very beautiful balance between power and length on the one hand, and freshness - promise of longevity - on the other. The grapes were therefore *œwell born*, but this was not sufficient.

### Producer Information:

Founded in 1981, Champagne Bruno Paillard is a young, dynamic house that has quickly established a reputation for elegant wines with real style. Fresh, dry and vibrant, they are made with an uncompromising attitude to quality that shines through in the glass. The house follows a strict quality charter that includes only using the first pressings, vinifying each cru separately and putting the disgorgement date on each bottle. Bruno was made a Chevalier of the Legion d'Honneur in 2006 for his services to Champagne.
